Meticulous attention to detail, clever design and high end finishes all combine to give this custom designed home a modern coastal feel that embraces the Noosa lifestyle.

The entry features floor to ceiling rustic travertine tiles that give a hint of the quality of the home. Exposed rail sliding doors with VJ detail guard the entry to the opulent master bedroom, complete with free standing bath in the ensuite and a large walk in robe with full cabinetry.

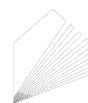

Soaring raked ceilings give the main living area a sense of space which is enhanced by the natural light captured by the sunny north aspect. The open plan kitchen/dining/living flows out to a large outdoor living area that overlooks the freshly landscaped gardens. A butlers pantry is incorporated into the kitchen, making it the ideal home for entertaining and the kitchen detail features everything you would expect in a new, high end property.
