17 Honey Myrtle Road, Noosa Heads

Exceptional attention to detail in design and finish has been refined to create a private sanctuary set in a tropical landscaped paradise that sets a new benchmark in luxury living. Taking full advantage of the northern aspect the property affords, Cube Homes has created another home of extraordinary style and sophistication.

French Oak flooring gives the expansive living spaces a sense of sophistication and simplicity which blends perfectly with the soft neutral tones of the state of the art kitchen. Marble tiled splashback, integrated Fischer & Paykel appliances, stone bench tops and two pac cabinetry are all incorporated into the kitchen to ensure it is state of the art. Recessed stacker sliding doors open the north eastern aspect of the home and seamlessly flow onto the outdoor courtyard style living area and the pool and spa. A waterfall curtain over the pool provides the soothing sound of running water and creates a spectacular visual feature to the courtyard
